17th September 2014

Dear Parents

We would like to give you an update with the progress of the new classrooms at school. We now have two classrooms which are being fitted out ready for occupation soon. The teachers have walked your children down to the school a couple of times so that they too have been able to see the developments and share our excitement.

Next week, commencing Monday 22<sup>nd</sup> September we are going to be able to accommodate Ms May, Otters class, in the main school building. Therefore could parents of those children please drop them at the main school in the mornings. Unfortunately, at the present time, there will still be no parking at school or the Church and you will need to park at The Bell. Ms May and another member of staff will walk the children back to the village Hall each lunchtime so that they can have lunch and recreational time with their peers. The children will need to be collected from the main school building at the end of the day. Ms May will release the children at the front of the school through the end hall door.

It is lovely to be able to bring children back to their original learning environment and we are looking forward to having the Squirrels and Badgers back with us soon.

We would like to thank you all for your continued support since the start of term. We have been overwhelmed with your positive approach in our time of disruption and look forward to sharing our fantastic new classrooms with you soon.

Karen Headland  
Headteacher
