Inspire, Enjoy, Achieve

Week Ending : 19th December 2014

Dear Parents,

We have come to the end of a really busy and enjoyable term, having seen huge changes across the school, with increased pupil numbers and new buildings. As we continue to grow and develop as a school further improvements are planned with installation of a multi sport games area in the Spring Term.

Looking back, the children have had some wonderful learning experiences in school enhanced by both visitors to school and trips out.

The children performed very well at both our fabulous Christmas concerts and the P Bone demonstration. Thank you to all the children and staff for their hardwork –it was lovely to see so many parents supporting their children. We are looking forward to sharing more of your children's learning as we start our new topic's in January.

I would like to take this opportunity to thank you all for your continued support and wish you a very Merry Christmas and a Happy New Year.

Best Wishes

Karen Headland
