

9th January 2014

Dear Parents/Carers

We would like to continue to offer all children at Cotton End Primary school the opportunity to take part in a dance after school club led by The Little Performers on a Wednesday from 3.30-4.30pm. This term the children will learn a combination of street dance, musical theatre and cheerleading. The children who have already taken part have really enjoyed the experiences and we hope that new children will join this popular club. The dance club will begin again on Wednesday 14th January for 5 weeks.

Children taking part in the after school club will learn a range of dance skills and techniques while keeping fit and having fun. Throughout the sessions children will be working towards a performance in which they can show parents, carers and teachers what they have been working on. During the performance all children will be awarded with a certificate for their hard work and commitment.

Cotton End Primary School are subsidising this and only charging £2 a session to be able to attend the dance club with The Little Performers. Unfortunately numbers are limited for this great opportunity; therefore we have to take children on a first come first served basis. However we are asking that if you sign up for this, your child will attend the 5 sessions.

Please note this is a separate club and if your child currently attends After School Club with Mrs Cox and Mrs Singh, this will continue as normal unless otherwise stated and this consent form is completed.

If your child would like to take part in the dance after school club with The Little Performers please hand in the slip below confirming your child's place along with your child's payment. If you are a new member you will be required to complete a Little Performers emergency contact and medical form.

I would like my child.....to take part in the after school club with The Little Performers:

I agree for my child to take part in and pay for all 5 sessions (total £10)
