

### Safeguarding

21<sup>st</sup> January 2015

Dear Parents/Carers

As you are aware the safety and well-being of our children is high priority at all times. Following our recent safeguarding training with Bedford Borough, we have decided to create, as far as possible, a mobile free zone in school. Therefore we are requesting that as you enter the school grounds, you put away your mobile devices so that no phones are used on the playground at all. If you visit the school during the day, to meet a teacher or the classrooms, we will be asking that you either leave your mobile in your car or hand it in the office. Staff have a designated area to leave their mobile phones in school so that we all follow the same guidelines.

Help us to safeguard your children

Many thanks for your support

Karen Headland
