*Inspire, Enjoy, Achieve*

*Week Ending : 6th March 2015*

Dear Parents

We have enjoyed another great week in school.

The book week activities are inspiring a love of reading, the children demonstrated their enthusiasm with their book character outfits on Tuesday. The challenge to 'get caught reading in an unusual place' produced lots of interesting photos which were shared in assembly on Monday. Well done to everyone who took part. All children who entered received a bookmark and two winning entries received a book voucher too: Congratulations to Toby who was reading in a wheelie bin and Khadija who was hiding under the bedcovers with a torch!

### Student teachers

We are pleased to welcome back Mr Woodcock into Badgers class. Mr Woodcock is completing his final placement with us before embarking on his teaching career in September. Mr Walsh has also joined us (in Squirrels class) for 4 weeks as part of his final training placement.

Both students are shadowing Mrs Gormley and Miss Grey and have brought their own ideas and enthusiasm to the school. We are proud to support students across the school and all our previous trainees have been successful in securing teaching positions when they leave us.

### Parking

We are unable to use the Church carpark on Wednesday 18th March. Please use The Bell Pub instead.

Otters have had a busy start to the second half of term. We visited West Stow Anglo Saxon Village, and learnt about what life was like for the Anglo Saxons. We got to try on some Anglo Saxon clothing and armour, as well as go into traditional Anglo Saxon buildings. These were very cold, and very dark, and no one wanted to live in one! We have all enjoyed the Book Week activities, especially dressing up as book characters on Tuesday. Half of the class have been to Kingswood, on an outdoor residential trip, and we will tell all about our adventures in Norfolk in the next newsletter.
