Week Ending : 17th July 2015

Dear Parents

We have come to the end of a very successful term at school. We have progressed so far since last summer—I am sure you will agree the new classrooms were well worth the disruption at the start of the year. It is hard now to remember what the school was like last July.

Thank you to everyone who returned our questionnaire. We value your feedback and actively seek ways to improve the educational opportunities for your children.

I hope that you all have a fantastic summer holiday and look forward to seeing you on the 7th September to start another exciting year.

Thank you to everyone for your continued support.
