Dear Parents/ Carers

We have been fortunate to have escaped the severe flooding in this part of the country however the weather has now become much colder. Please ensure that you child comes to school dressed appropriately for the weather.

We obviously endeavour to keep the school open unless there are exceptional circumstances. In the event of severe weather or heavy snow we will notify parents of any school closure on the Bedford Borough website, our school website, 3 counties radio and Heart FM.

Thank you to those parents who responded to our Early Years appeal for dressing up clothes, small electrical appliances (disused), metal bottle tops, guttering and plumbing pipes. They all come in really useful so keep hunting for us!

Regards

Karen Headland

Stunning Starts Squirrels and Rabbits

We had an amazing visit from Zoolab to launch Rabbits and Squirrels new topics: Mini Beasts and What's the Weather?

They learned all about a variety of mini beasts and got to hold all of the following creatures:-

- Hermit Crabs
- African Snails
- Giant Millipede
- Snake
- Cockroach

Squirrels also looked at where these animals came from and the types of climates they can live in.

We are always pleased to welcome visitors into school and we had some lovely feedback from Bryony at Zoolab who said "Your children were so lovely and the staff too!".
