*Inspire, Enjoy, Achieve*

30th September 2016

It has been a pleasure to see all our children coming into school very happily and confidently, they have all settled down into their working routines very quickly.

We have been lucky enough to have enjoyed some fantastic weather since the start of term however could you now please ensure that your child brings a coat to school each day so that we can take them outside whenever possible.

### Important safety reminder

**The car park at the front of the school has very limited spaces and is therefore only suitable to be used by staff or disabled visitors. Please do not park or walk through the front car park even to drop off for breakfast club. We want to keep your children safe and weaving between potentially moving vehicles is extremely dangerous. The children should all enter and leave the school building via the pedestrian footbridge.**

Many Thanks  
Karen Headland
