Inspire, Enjoy, Achieve

16th September 2016

We are enjoying the great start to the Autumn term-as you can see the children have been very busy and actively engaged in their learning.

Health and safety reminder: Earrings-please ensure that if your child has pierced ears they wear stud earrings only. If your child is unable to remove these themselves please provide plasters for them to be covered for PE lessons.

We have had a couple of reports of headlice in school-please check your child's hair regularly and if necessary treat the whole family.

Regards

Karen Headland

What we've been up to:

Hedgehogs - This week the children have been enjoying the late summer, having splashing fun in pools. Pizza making has also been on the agenda to go with our "all about me" theme.

Rabbits - Rabbits' Class are enjoying their topic "Bear Hunt". This week they all enjoyed making "Teddy Bear Toast" using brown bread, chocolate spread, sliced bananas and chocolate chips. They especially enjoyed eating their toast at snacktime!

Squirrels - Squirrel class were very excited on the first week of term when they had a visit from Peter and his Space Dome for our stunning start to our topic 'Explorers'

The children were amazed when they flew to the moon in a rocket and learnt about the constellations! They also learnt about the sun and the moon and how days and nights occur. A fun time was had by everyone!

Badgers - We have had an exciting start to the term and have begun our new topic of America. The children are getting to know their new teacher Mrs Jeffs. We have been very impressed with the attitude and enthusiasm from the children. Keep up the good work Badgers

Otters - Otters have settled well into their new theme of 'Earth Matters'. We have been learning about the water cycle and coasts. We have started to explore the gripping book 'Floodland' by Marcus Sedgwick.
