Inspire, Enjoy, Achieve

Dear Parents/Carers

It is hard to believe that we are already at the end of another half term. The children have enjoyed their exciting topics and embraced their learning. We have some more fantastic learning opportunities planned for next half term.

I hope that the sun is still shining after our week off therefore please ensure that you send you child to school with sun cream and a hat.

Our home grown chickens are thriving at school and have now produced their first batch of eggs. The children in Squirrels were delighted to be able to use them to make their own cakes for our cake sale organised by the School Council.

We are saying a fond, temporary farewell to Mrs Gormley who is starting her maternity leave today. We wish her well and look forward to her being a regular visitor when her new bundle of joy arrives.

I hope you all have a restful half term and look forward to seeing you all back on Tuesday 6th June.

Kind regards
Karen Headland

They were sent a postcard this half term. Mrs Headland has shared a picnic with them this week to celebrate their achievement . Well done to you all.

National Bug Busting Day—15th June

The aim on national Bug Busting Days is to find all the head lice and zap them in one fell swoop. This stops them from circulating endlessly.

Why take part on Bug Busting Days?

Because informed, united action stops head lice from circulating endlessly. Combing wet, conditioned hair with a Bug Buster comb is a reliable detection method even when very few lice are present. Thoroughly wet lice stay still, dry or damp lice move quickly away from disturbance evading detection. If you require any further information you can call 01908 561928 Bug Buster Helpline.

Important information regarding class photo's

Class photo's were taken last Friday in school, they will be coming home soon with your child. Can we please remind you **not** to share them on social media in any form. Thank you for your support.

Important Information

We are still being made aware on an almost daily basis that some children in the school have head lice. Please can you all check your children's hair regardless of the length and treat if necessary as we would like to eradicate this. A reminder also that all children with hair shoulder length or below must be tied up in a ponytail, bunches, plaits etc. Many thanks for your support.

Sainsburys Vouchers

We are still collecting Active Kids Vouchers in school, if you have any please send in with your child for them to put in the box in reception which will then go towards new cooking and sports equipment. Many thanks for your support.

Badgers News

Year 3 and 4 enjoyed an active morning out at Kings Oak last week taking part in a Tri Sports tournament. They played Rounder's, Cricket and Golf and finished 2nd overall! Well done Badgers.
