Inspire, Enjoy, Achieve

17th May 2019

Dear Parents/Carers,

It is hard to believe that we only have one week left of this half term: time flies when you are having fun! Some children from Year 3 and 4 represented the school admirably in the Tri-Golf festival this week. They showed great sportsmanship and participation, well done.

Year 6 have been working really hard with their SAT's tests this week. Miss Grey and her team have prepared them well. We are very proud of their positive and mature attitude towards the assessments and hope they have done very well.

Our after school clubs are now very popular with a range of activities available for the children to access. Please make sure that you sign up and return your consent forms as soon as possible so that places can be allocated accordingly.

If anyone has any old newspapers that we could use to cover tables for art activities, we would appreciate them. Please pop them into the school office.

I have also been asked by a parent if we could collect washed milk bottle lids for a charity. Please send any donations to school with your child.

Many thanks for your continued support.

Kind regards,

Karen Headland.
