Inspire, Enjoy, Achieve

**9th October 2020**

Dear Parents/Carers,

Another couple of weeks since our last newsletter has flown past and it is lovely to catch a glimpse of the sunshine after all the torrential rain of late. This rather inclement weather has led us to review how we store wellies and forest school clothing so that the children are able to use them whenever they have the opportunity. Please bear with us; new wellie boot racks are in process and will be completed as soon as possible. We are also aware of the rather muddy entrance at Gate 4 and are addressing the issue.

I am very proud of how well the children are working and it is lovely to see their confidence shining through as I visit the classes. Our attendance across the school is very good, Kingfishers class have been delighted to have the opportunity to host Charlie, our attendance Bear, for the last 3 weeks. However, this week, they have been pipped at the post by Kestrels who have achieved 100% attendance. Well done!

Thank you very much for adhering to the drop off and collection times for each year group and helping to keep everyone safe. I appreciate that it may not be the most convenient timings for some families, but it is really important that we minimise congestion and crossing of bubbles wherever possible.

It was fantastic to see so many children wearing yellow today to show recognition of the great work that Young Minds do to support children's mental health and well-being. Thank you.

Polite reminder: the car park at the front of the school is for staff and disabled access, please use the large car park at the side of the school unless you have a blue badge.

Kind regards

Karen Headland
