Inspire, Enjoy, Achieve

**13th November 2020**

Dear Parents/Carers

The children have had another very busy couple of weeks since our last newsletter.

Last week was our outdoor learning week and the children engaged in a range of really exciting activities including making bird feeders, creating rain gauges, planting, building camp fires and of course, toasting marshmallows. It was fantastic to see the team work and cooperation from all the children as they worked together on all of these projects.

With lockdown, some of our usual activities have been changed but we still wanted to celebrate Remembrance Day on 11th November so the children observed the one minutes silence and created some of their own poppies using sticks and wool which they proudly displayed around our school grounds.

Thank you for signing up to our telephone consultations to discuss your child's progress with their teacher, we like to have face to face contact but obviously, at this point in time, that is not possible. As always, if you have any concerns please do not hesitate to email or call the school.

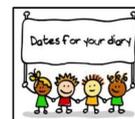

To support Children In Need this year the children have come dressed in something that makes them feel happy. It is lovely to see so many lovely colourful outfits in school.

Thank you for supporting us by wearing masks when you come to school to drop off and collect your children. We are all trying our best to keep everyone safe.

Kind regards  
Mrs Headland

### Diary Dates

### Important information

We have several children in school with nut allergies. Please can we remind you that we are nut free school. If your child brings any items into school that contain nuts in any form this will be returned unopened to you. Thank you for your support in keeping our children safe.

### Food donations

If you are finding you are struggling in these unprecedented times please get in touch with Mrs Chesters-Lewis via the school office.

We have been given some food items donated from a local supermarket that we can pass onto you. Thank you.
