Inspire, Enjoy, Achieve

27th November 2020

Dear Parents/Carers

As we continue into our Autumn term and the weather is turning colder, it is lovely to see that our children are still able to take their learning outside regularly. Please make sure that your children bring their coats into school so that they can all enjoy the great outdoors!

We are really pleased to report that, even having had to close one of our bubbles due to an isolated case, our attendance at school is very good-well done everyone! Preschool will be returning to school next week and therefore collection times for siblings will revert back to normal. Although we have staggered our start times in order to avoid congestion, could you please ensure that your children arrive at the allocated times as we are expected to record late arrivals and report to the local authority. Also, a polite reminder that our school day finishes at 1.30pm on a Friday, please collect your children promptly at this time unless you have already booked them into the care club. Thank you.

We are looking forward to starting our seasonal festivities, our Christmas dinner menu has already been shared and more details will follow regarding our Christmas jumper day.

As you may have noticed, we have cordoned off some areas in the main car park at the entrance to Gate 4. This is to help to alleviate congestion and support social distancing while waiting to collect your children. It has provided safe places for you to wait for your children and reduced the danger of cars moving around in this area while children are crossing the car park. Please help us to keep your children by using these safe spaces. Many thanks
Kind regards

Mrs Headland
