

Cherry Class Preschool Newsletter Friday 28 April 2023

Highlights from this week

We have been busy learning about farm animals. We have built farms using different resources creating super enclosures for the animals.

The children created their own farmyard pictures and wrote their names on them.

Outside we built obstacle courses and described the route we took to our friends.

We have enjoyed using our scales to find out which objects were heavy and light.

We have been working on counting and recognising numbers.

Next week in Cherry Class

Woodland animals!

We will be learning about different woodland creatures.

We will make hedgehogs out of clay and create our own Gruffalo story.

We will also make our own crowns to celebrate the King's coronation.

Things to know

- Bank Holiday - 1 May School closed.
- Bank Holiday - 8 May School closed.

Friday 5th May 2023 - Please wear red, white and blue, as we will be celebrating the King's coronation from 2pm - 3pm. We will be wearing crowns we have made in preschool.

TINY Happy PEOPLE

Your words build their world

Please have a look at this website it offers lots of activity ideas and so much more!
