

Highlights from this week

We have been learning about animals from the Arctic and the Antarctic. We enjoyed investigating how ice melts and drawing lots super polar creatures.

We focused on hearing the initial sound "t" in words like, tiger, tail and tap.

Watch this clip,

<https://www.bbc.co.uk/cbeebies/watch/cbeebies-phonics-playlist#playlist>

Listen carefully to the pure phonic sound of t

Next week in Cherry Class

We will be sorting animals into different categories.

We will be counting as we roll balls down tubes and thinking about shapes and what we can make with them.

Any lots more!

Things to know

The temperatures have definitely got warmer recently! Please apply sun screen to your child **before** they come into any school session. If your child attends **all day** please bring a bottle of sun screen to be kept at school. This bottle **must** to be clearly marked with your child's name. Children will reapply the lotion with adult guidance.

Please check the ingredients - as we will not be able to accept any cream that contains almonds.

Please ensure your child **brings a sun hat** and **wears a top that covers their shoulders** - no strappy tops! Children need to wear shoes that **cover their toes. No crocs, no jelly shoes and no flip-flops!**
