

Highlights from this week

It has been another great week! We have enjoyed using our noses to smell lots of different smells.

We made our super scarecrow. Humpty will be displayed outside the school from the 7th October as part of the Cotton End scarecrow festival.

To help us with our maths learning we explored a book called "Maisy Goes Camping" by Lucy Cousins. We compared different amounts. We tried to see how many small world people we could fit into pretend tents. We then enjoyed going around our setting to see what we could fit into! We decided that lots of children could fit inside our outdoor classroom but only a few could fit inside a tire!

I wonder if you have a play tent - will your family all fit into it?!

Next week in Cherry Class

We will start to think about our school community. We will take walks around our grounds to find our pond and where the hens live.

We will continue to follow our phonic programme and listen out for different sounds we hear on our walks.

We will also focus on sharing and turn taking skills.

Information

Please remember to label your child's coat and bag with their full name! We have about 60 children visit us every week!

School dinners will be available for our new starters from **Monday 2 October** as the children are settling in beautifully.

Communication and language

Do you have any concerns about your child's speech and communication skills? Please come and speak to the preschool team. There is more information available on this website.

www.childspeechbedfordshire.nhs.uk

Personal Social and Emotional

We will continue to read a selection of books that focus on the "Personal, Social and Emotional" part of the EYFS curriculum. We have read "Mine" by Sue Heap.

TINY Happy PEOPLE
Your words build their world

Please look at this super website that offers a whole range of useful information.
