

Highlights from this week

We have enjoyed learning about trees. We certainly enjoyed Britta Teckentrup's book called "Tree".

Thank you for the kind donations of conkers! They are such a great resource to have in our classroom!

We also enjoyed looking at seasonal vegetables and learning new words to describe what we see and feel.

This week we had our first PE lesson in the hall. We really enjoyed the large open space to practise our gross motor skills and also our listening skills.

Next term in Cherry Class

I can hardly believe that the first half term is drawing to a close. We are very proud of the children and how they are learning to become part of our wonderful classroom community.

Next term we will start a new topic called "Journeys".

On Monday 30th October we will be holding parent consultations with your child's key worker.
