

Highlights from this week

We have been busy baking lots and lots of gingerbread biscuits! It's such a great activity to support early science, maths and language skills!

We have been busy practising our songs ready for the Christmas concert next week! I just hope the rain stops!

We certainly enjoyed wearing our Christmas jumpers to school. I took this opportunity to support language and maths understanding so we sorted ourselves in different ways depending on the designs we were wearing!

Christmas Songs!

Pre-school Christmas song concert – Wednesday 13 December at 3pm to be held in the preschool outdoor classroom.

We request a maximum of two grown-ups per child to attend the concert – as all adults will need to stand inside the preschool garden. The children will sit in our outdoor classroom.

If your child does not attend pre-school on this day please contact Mrs Chan or the preschool team to let us know if you and your child would like to attend/partake in our festive songs.

Next week in Cherry Class

As you know we have been busy creating your child's own individual learning journey. Next week your child's key worker will spend time going through your child's journal with them. We will talk about all the super things your child has achieved with us this term. We will support their communication, listening and language skills as we do this.

We will also enjoy lots of super Christmas craft and fun games every session!

Christmas songs!

For children that are returning for the Christmas concert can you and grown-up arrive at the preschool gate no later than 2.50pm so we can get the children settled and ready.

We will aim to open the preschool gate by 3pm to all preschool parents wishing to come and watch our songs.

We will be able to release children to their grown-ups after our mini concert. To help ease the congestion can I politely request that all bags and extra items be left at school over-night. The lunchbox trolley will be left out for you as normal. As you can imagine it's going to be busy and keeping your child safe is our utmost priority.

Things to know

Last day of term Tuesday 19th December 2023

Inset day (school closed) - 3rd January 2024

Spring term starts on 4th January 2024
