

Highlights from this week

As you know, Rex our classroom dinosaur has been setting challenges for the children every week. This week Rex needed our help to find all our escaped dinosaurs! Thankfully, the children were up for the challenge and worked as a team to find them. The Brachiosaurus was located on the slide near the EYFS building! T-Rex was located over by the hen coop and Triceratops was found relaxing on the storytelling chair! Disaster was averted! Well done Cherry Class!

We also enjoyed our messy sensory play and we worked hard on our mark making skills.

We enjoyed taking part in Number Day. We played "What's the time Mr Dinosaur!" We also practised counting as we threw beanbags at targets and took part in a treasure hunt to find hidden numerals around our setting.

Next week in Cherry Class

We will continue to take part in activities from our phase one phonics programme and practise our subitizing and counting skills.

We will practise matching rhyming words and looking at different types of patterns.

We are also planning to make some mini dinosaur chocolate nests - yum!

Finally, Rex has informed me he has another super challenge for the children next week... I wonder what it could be.....

Key Date

Friday 9th February

To support children's mental health week 2024, we are participating in the CHUMS Shine Bright Wear Bright fundraising event.

The children can come to school on **Friday 9th February** dressed in bright clothing for mufti.

Please click on the link below to find services that are available in this area.
