

Highlights from this week

We have been busy learning and making repeating patterns. We also thought of different ways of moving to make a repeating pattern too.

We have enjoyed the story of the "Enormous Turnip". We even had a few real turnips in soil in the classroom so we could practise re-enacting the story!

We also had a giant set of teeth in the classroom and enjoyed scrubbing them with toothbrushes!

Our book leaves look amazing on our tree. Here's a photo!

Next week in Cherry Class

We will play animal families! We will match baby animals to their parents. Do you know what a kit/kitten is?!

We will sequence the famous story of the Hungry Caterpillar.

We will take part in helicopter story telling and look carefully at pictures to learn to answer questions.

SPRING LAMB DAY
Sunday 17th
March 2024

Supporting Cotton End Forest School

£5 per person
Under 2s free

Visit & feed the lambs!
BBQ & Refreshments available plus lots more to see and do!

Manor Farm,
Wilstead,
MK45 3DS

11am - 3pm

Forest school sessions

After Easter, we will start our forest school sessions for our 3- 4-year-old part of the class. We are planning to run on-site sessions every Wednesday morning from 9.30am to 11.00am. (Younger children aged 2-3 years will continue to enjoy welly walks)

To run this session, I am looking for volunteers! Please could you either contact the office or speak with me at the gate if you are interested.

I will confirm dates of the sessions as soon as I can. For your information, children who attend on this day, will need wellington boots, waterproof coats, waterproof trousers and a long-sleeved top. **We will be outside whatever the weather!**
