

Cherry Class Preschool Newsletter

Wednesday 27 March 2024

This week in preschool...

This week we have enjoyed looking at our baby photos and thinking about how we have changed. A very big thank you to Mrs Jonas and baby Jack who came into school to visit us. All the children really enjoyed this experience and we had a super chat about what baby Jack could and couldn't do.

We have been busy making lots of super sunflowers inspired by Van Gogh's famous painting called "Sunflowers". All the flowers are beautifully unique like the children. One sunflower even had a pair of legs. We used scissors to make snips for petals, used chalks, paints, pens and stickers! We have been busy!

We will be bidding farewell to Ms Harradine, Mrs Barfoot and Miss Herbert who are leaving the preschool team at the end of this week. We will miss them and wish them well for the future.

Next term in Cherry Class

We will be learning all about animals and their babies. We will be going on an exciting whirl wind journey around the world to learn about all the different animals; ranging from local animals to wild and endangered species to ones that we find in the Arctic and Antarctic!

Things to know

Monday 15th April - Inset day - no school

Term dates - Tuesday 16th April - Friday 24th May 2024

We hope you have a super Easter break!

Forest school sessions

After Easter, we will start our forest school sessions for our 3- 4-year-old part of the class. We are planning to run on-site sessions every Wednesday morning from 9.30am to 11.00am. (Younger children aged 2-3 years will continue to enjoy welly walks)

To run this session, I am looking for volunteers! Please could you either contact the office or speak with me at the gate if you are interested.

I will confirm dates of the sessions as soon as I can. For your information, children who attend on this day, will need wellington boots, waterproof coats, waterproof trousers and a long-sleeved top. **We will be outside whatever the weather!**
