

Highlights from this week

This week we have been sequencing events and activities using the words; first, next and then.

We have also worked hard to notice and correct an error in a repeating pattern.

We have enjoyed taking part in storytelling and music sessions.

We have also been working hard to link numerals and amounts.

Next week in Cherry class

We are going to learn about different explorers.

We will take part in whole school events to celebrate the Arts.

We will also play games to help our phonics skills. We will listen hard for the initial sounds at the beginning of words and oral blend cvc words.

Junk Modelling

Thank you!

Thank you for bringing in your recyclable packaging. Please can you carry on! Items that are useful are: clean yoghurt pots, plastic bottles, plastic milk bottles or kitchen roll tubes.

We really appreciate it.

Polite request

Children are welcome to bring a comforter into school and this can be kept in their school bag or in their school draw, however, other toys especially small ones should stay safely at home. Toys that are made of small parts are not safe for children in our setting as they pose a choking hazard. Thank you for your understanding.
