

Highlights from this week

We have been thinking about all the wonderful learning opportunities we have at school. We certainly enjoyed looking through our individual learning journals and looking back over the wonderful year we have had together. We also thought about our friendships and qualities that are needed to be a good friend!

We have been enjoying the sunny weather! **All children should wear trainers or shoes. No sandals or crocs please!**

We will learn about different people who help us. We will think about heroes and begin to learn that heroes can be ordinary people.

We will continue playing games to support our phonics development.

Please could you bring a carrier bag or equivalent into school - clearly labelled with your child's name. This will help us collect together all your child's special things ready for the last week of term. Thank you!
