

Highlights from this week

We have been learning about different people who help us and we really enjoyed learning about firefighters this week.

Our colour monsters made an appearance this week and have been very popular! We chatted about things that make us happy, sad and angry. We also practised using a straw breath to help us feel calm when we are upset.

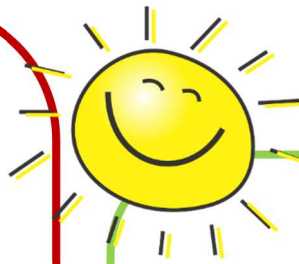

Thank you!

Next week in Cherry class

Please bring a carrier bag or equivalent into school by 11th July or sooner! - clearly labelled with your child's name. This will help us collect together all your child's special things ready for the last week of term. Thank you!

A very big thank you for all the super junk modelling resources you have supplied! The children have enjoyed using their imaginations to create amazing models! As the term is drawing to a close, we will now stop collecting these items.

The children who are moving into the reception classes in September will be having a stay a play session - please see the letter you have received from the reception team.

Time for School

Please click on the links below for information about preparing your child for starting school and lots more useful information!
