

## Cherry Class Nursery Newsletter Friday 13 September 2024

### Highlights from this week

It has been a fantastic week welcoming all the children into our Cherry Class.

We have enjoyed getting to know all the children and playing new circle time games and singing songs.

We have received some of your "Marvellous Me" documents and we have started sharing them with the children. We look forward to receiving all of them by **20 September 2024**. Please ask us if you need any help.

### Speaking and Listening

We are focusing on saying "help me" when we need an adult to support us.

Can you make a home-made shaker and explore making sounds in your home?

### Things to know

We are a **nut free school**. Please make sure your pack lunches are **nut free!**

**Half term break (school closed) 25th October - 1 November 2024**

### Physical Development

We have really enjoyed using our sandpit this week. We have been digging and filling buckets with sand and many other things too!

Next week we will be using tweezers to transfer pom poms to develop our fine motor control.

### Next week in Cherry Class

Every half term we learn new nursery rhymes. They are super important for our literacy skills, we will be learning 5 Currant Buns and Hickory Dickory Dock.

We will play fun circle time games with our new friends.

We will create circles and dots using different mediums to start learning how to draw our own faces.

We will continue to use our "tidy up" music to support our classroom routines and transitions.

We have also started enjoying Colin and Lee Carrot and Pea by Morag Hood.
