

Highlights from this week

We have started to think about the changing seasons and really enjoyed "Tree" by Britta Teckentrup. We will refer back to this book regularly as we watch the seasons change during the school year.

We also enjoyed creating our very own mini habitat after reading "A Good Place" by Lucy Cousins. This supports our forest school learning.

We spent time thinking about our likes and dislikes. We practised talking in longer sentences.

Thank you for your donations of fallen leaves and conkers. If you can collect more - we will appreciate the donations. We can use them for our mud kitchen and also for our maths learning!

Next week in Cherry Class

Next week we will create some spooky spiders out of play dough and pipe-cleaners. We will use tongs and tweezers to collect spiders out of cobwebs. We will also enjoy bubble printing. We will also investigate pumpkins. If anyone has a squash or a pumpkin they could donate we would appreciate it! We will also sing lots of songs and nursery rhymes and enjoy listening to lots of different sounds to support our phonics learning.

Key dates

Friday 25th October 2024 - last day of term

Monday 4th November 2024 - first day back after the half term break

Parent consultations - 11th, 12th and 14th November. See email for full details

Please take time to look at the website below - it will explain how to apply for your place at school. If your child is due to start a reception class next year in 2025 this is the website for you.
