

Highlights from this week

We enjoyed experimenting with floating and sinking different types of objects in water. We especially enjoyed using our water table to move little boats around the channels.

We took part in a fire drill this week and the children were superb at lining up and walking down to the fire assembly point.

We enjoyed another PE lesson in the hall. Well done Cherries for listening and following instructions.

Next week in Cherry Class

Next week we will be retelling the story of the Gingerbread Man.

We have already created a fun game in the garden which involves the children pretending to be gingerbread biscuits who enjoy running away from the little old woman! We will also think about our feelings and talk about things that we enjoy doing. We will take part in many different games that support our listening and speaking skills.

Christmas Songs!

The Nursery mini Christmas concert will be on

Monday 16 December at 3pm. It will be held in the Nursery outdoor classroom.

We request a maximum of two grown-ups per child to attend the concert – as all adults will need to stand around the outside of the Nursery outdoor classroom. The children will all sit in our outdoor classroom.

If your child does not attend Nursery in the afternoon, please contact Mrs Chan or the Nursery team to let us know if you and your child would like to attend/partake in our festive songs. We will open the gate at 2.45pm to welcome those children back. This will give us time to get the children settled and ready. We will then open the gate to the grown-ups at 3pm.

You are invited to a coffee morning here at Cotton End Forest School

Tuesday 3 December 2024 - 8.45am - 10am

Please feel free to come along for a coffee and a chat. There will be lots of helpful advice available with Mrs C (Mrs Chesters-Lewis) and the Children's Centre.
