

Highlights from this week

What an amazing week! We are very proud of the children for singing our Christmas songs to our grown-ups! We especially enjoyed the grown-ups joining in!

We have played lots of different party games and have been busy making lots of different craft items.

Finally, Father Christmas visited our class today and gave our class a super present.

In the new year...

On Monday 13 January 2025 we will start our little library service! We will run our class library every Monday. Your child will be supported to choose a book which they can borrow for a week.

When your child returns the book on the following Monday, we will help your child to pick another library book which you can share with them at home. Unfortunately, we can only change books on Mondays. If you want to keep the book for longer then simply keep it at home for another week. Please feel free to ask if you have any questions!

We politely ask you to make sure your child has a bag which is large enough for our A4 picture books. We are teaching the children to take care of our books. Thank you for your understanding.

Next term in Cherry Class

Our topic for next term will be "Dinosaurs".

We will learn about different types of dinosaurs. The children are keen to find out about the mighty tyrannosaurus! We will pretend to be palaeontologists as we excavate salt dough bones and make our very own "fossils."

We will find out what different dinosaurs ate and create super mini dinosaur habitats.

Will continue with our phase one phonics and learn how to spot a repeating pattern.

Dates

6th January 2025 - training day, school is closed.

7th January 2025 - First day back!

And finally,

As this is the last newsletter of the term, the Nursery team would like to wish everyone a very Merry Christmas! Thank you for all your kind gifts.
