

## Highlights from this week

Our message dinosaur left another challenge for the children this week! We discovered that all our toy dinosaurs escaped and hid in different parts of the school grounds! Thankfully, Rex our message dinosaur, left clues and the children were able to rescue all our little toys. A happy ending!

We continued to play lots of games to support our listening and attention skills.

We listened to our two new sounds, "s" and "a" and thought about different words that begin with those sounds. We also took part in games to support oral blending for example I said "/b/.../a/.../t/", the children tried their hardest to hear the word I said i.e. bat.

Finally, we really enjoyed dressing up for Number day and Shine Bright Wear it Bright! We had lots and lots of super conversations about patterns and colours and played lots of maths games.

## Next week in Cherry class

We will continue to create different types of patterns.

We will take part in helicopter story telling sessions.

Rex our message dinosaur has some extra special messages and challenges tucked under his claw and we can't wait to share them with the children!

To celebrate Valentine's Day, we will make special cards and friendship bracelets for each other. We will talk about how to be a good and kind friend.

## Dates

End of term - Friday 14<sup>th</sup>  
February 2025

## Next term in Cherry class

Our new topic is Growing and Changing.

We will start to learn about plants, animals and how people grow and change over time and lots more!
