

Highlights from this week

We have had a busy week! We have planted sunflower seeds, drawn some amazing beans stalks, nurtured our cress seeds and shared our Marvellous Me books. We looked at our baby pictures and we have certainly changed! Outside, we created amazing obstacle courses and we worked collaboratively to make some exciting new ramp designs for our cars.

We had a super visit from Mrs Watson and young Cobi. We enjoyed their visit and we had an opportunity to think about how much we have changed and grown.

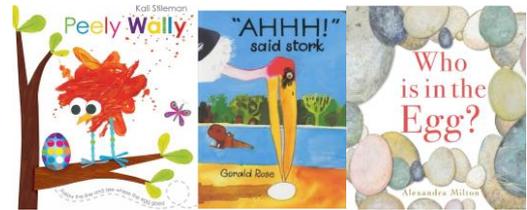

Thank you, Cobi and Mila,!

We of course, we sang our favourite song, "Herman the worm!" many many times!

Finally, we hope you have a restful and relaxing Mother's Day.

Next Week in Cherry Class

We will be thinking about eggs! We have a range of books around the theme!

We will think about patterns and use loose part play to create temporary 3D art. We will enjoy sharing books together, singing songs and creating our own "helicopter" style stories.

Things to know

Last day of term - Friday 4th April 2025

First day back after Easter - Tuesday 22nd April 2025
