

Highlights from this week

We have enjoyed exploring our topic linked to the polar regions of our planet. We made polar bears and melted ice. We also explored different textures such as shredded paper, polystyrene and bubble wrap. We have made a few trips to the hall to practise running in a relay so we should be ready for our sports day event! The children have been working hard to listen to different instructions. We have also been busy trying to hear the initial sound in words and thinking of different rhyming words.

Next week we will be decorating stones for the whole school art project

We are going to decorate a stone at school! At the moment we have kindly been given 20 stones and we would welcome more! If you would like donate more we would be grateful! Please hand them to a member of the team at the gate. Thank you!

People Who Help Us

Next week in Cherry class

We will start to learn about different people who help us. We are looking forward to our visit from the local Police.

We will continue to play games to support our phonics.

Please could you bring a carrier bag or equivalent into school - clearly labelled with your child's name. This will help us collect together all your child's special things ready for the last week of term. Thank you!

Nursery sports event - Monday 23 June 2025

We will be holding a sports event on Monday 23 June at 2.30pm. If your child attends a Monday afternoon session they will automatically take part and you are welcome to spectate. We will open the Nursery gate to all grown-ups at **2.30pm**.

If your child does not attend a Monday afternoon session you are invited to bring your child to school for **2.00pm** and then stay and spectate. **All grown-ups** will have access to the sports field at **2.30pm**. All children must wear shoes or trainers. No sandals please!
