

Highlights from this week

We have had an amazing week! We had an educational visit from the Police on Wednesday. We would like to say a very big thank you to the police officers who came in. The children were able to dress up in police vests and helmets and they looked at handcuffs and radios. We were also very excited to go and look inside a police car and put on the lights and siren!

We have also been busy painting our stones and making lots of 2D marks for Arts Week. We haven't finished our projects yet so we will continue doing this next week!

Next week in Cherry class

We will start to learn about being brave and we will look at inspiring people who have had to be brave to overcome obstacles.

Nursery sports event

The weather forecast looks hot and sunny for Monday 23 June!

ALL CHILDREN NEED TO WEAR A SUN HAT ON MONDAY!

We will be mindful of taking care of the children in the heat. We will make sure all children have a drink before we go to the school field and then we will have a drink as soon as we return to the classroom. At the end of the event, we politely ask you to wait a little while at the field, so the Nursery team can walk the children back to the classroom. We will give the children a nice refreshing drink and a little treat! Please come down to the Nursery garden gate and we will start releasing the children to you as soon as we can.

If we feel the children need a break from the sun we will reduce the quantity of races the children will be doing.
