

Cherry Class Newsletter Friday 4 July 2025

Highlights from this week

We have enjoyed learning about firefighters, doctors and nurses. We built emergency vehicles out of junk modelling and created a doctor's bag with lots of essential medical supplies. Yesterday, we had a pop-up medical centre where the children absolutely loved using bandages to take care of their "patients".

Next week

We will spend time looking through our floor book and reflect on all our super learning that we have enjoyed over this year. We will talk about our feelings and importantly continue to think about why our Nursery rules are important and work hard to listen to our friends and adults. We will play circle games, enjoy stories and sing lots of songs!

Things to remember

A carrier bag labelled with your child's name - this will help us prepare your child's things for the end of term.

Reception transition information

Children that are moving into Oak or Willow class here at Cotton End Forest school in September 2025 will have a "Stay and Play" session on 10 July. Please check your paper work for the timings so you can meet your child at school in their new classroom. For all other children who are either staying in Cherries next year or who are leaving us to attend other settings they will continue to enjoy lots of fun in our Nursery classroom!

If you require any further information please come and chat with me at the gate, I am happy to help.

During the last week of term...

We will enjoy lots of fun games including sleeping lions, pass the parcel and our favourite circle time games.

On **Tuesday 15th July** we will enjoy a special snack of tasty treats. On this day, if you choose, your child can wear **non-school uniform**. Please still send your child with practical, sensible footwear as they will be very active, as always! No crocs and no open-toed sandals!

Dates to remember

Tuesday 15th July - non- school uniform day

Friday 18th July - Last day of term
