

Cherry Class Newsletter Friday 23rd January 2026

Dinosaurs

So far this term we have learnt lots of facts about Tyrannosaurus Rex and Stegosaurus. The children have really enjoyed it. We have been digging for Dinosaur bones and learning all about fossils.

Next week

We will be learning about dinosaurs that fly and all about dinosaurs that live in the sea.

We will be reading the story Silly Dizzy Dinosaur and drawing our own Dizzy Dinosaurs together.

Things to remember

Please encourage your child to draw and make marks at home and encourage a tripod grip when ready.

Maths

We have been using a five frame to recognise amounts without counting.

We have been learning about 2D shapes and their properties.

Forest School

Last week in Forest School we went on a walk around the school environment and used a map to locate different areas. We talked about a compass and how it helps us find our way. Miss Davey helped us to find some treasure. We counted out our treasure together at the end.

Dates

Last day of term is Friday 13th February.

We will be celebrating Pancake Day in Forest School and we will be learning about St Valentine and making a Valentines gift.
